

Putnam explorers

Grades 2 - 5

\$14 per program • \$11 (Putnam Members)

NOTE: You can sign up for both Fall and Spring Season workshops at the same time if you wish.

Fantastic Fossils

Saturday, September 9 • 9:00 to 11:00 am

Ever wonder how paleontologists learn about dinosaurs? Come and discover the joy of digging, explore the Putnam's fossil collection, and make your own fossils!

Journey to Space

Saturday, October 7 • 9:00 to 11:00 am

Have you ever looked up in the night sky and wondered, "What is beyond the stars? Where is the Big Dipper? Is our Solar System really part of the Milky Way?" We will take a journey into space that will answer all these questions and more! Are you ready to travel and explore things beyond your imagination?

The Kitchen, Not just for Cooking!

Saturday, November 4 • 9:00 to 11:00 am

The kitchen can be an exciting place...not only for the food BUT the chemical reactions that happen when items from your pantry are mixed together! Join us for an explosive good time!

Rockin' Robotics

Saturday, December 2 • 9:00 to 11:00 am

Robots aren't just cool –they ROCK! In this workshop Explorers will meet the Putnam's programmable robots, Dot and Dash, and learn about robots small and large!

The Wild Ocean

Saturday, January 6 • 9:00 to 11:00 am

What would life be like as a dolphin, shark or coral reef? Let's explore the relationship between humans and the oceans to discover the impact our everyday life has on the Earth's oceans!

Dream Big: Design Challenges

Saturday, February 3 • 9:00 to 11:00 am

Using the engineering design process, your creativity, your imagination and your unique ideas you can come up with amazing solutions to help others. Explorers will participate in design challenges that will spark their interest to engineer our world!

Under Construction: Bridges

Saturday, March 3 • 9:00 to 11:00 am

Imagine having enough K'Nex building toys to create a massive stay cable bridge! Learn about architecture and engineering through directed building exercises that will yield a K'Nex bridge, up to 40' long and 12' high! Creativity, organization, cooperation, problem solving, and fun are all highlighted. A Duplo blocks area will also be available for young children. Thank you to guest presenters, Sylvia Paine & Architect John Paine.

Wilderness Awareness

Saturday, April 7 • 9:00 to 11:00 am

Would you be able to identify edible or dangerous plants in the woods? During Explorers you will learn about different plants and the many types of animals that are sharing the woodlands with you. Let's discover what nature has to offer us!

PUTNAM MUSEUM & SCIENCE CENTER LIABILITY WAIVER AND PHOTO RELEASE

I, (print) _____, the parent/legal guardian of (print) _____, give my express permission for him/her to participate in any of the activities of the program in which he/she is enrolled. I release the Putnam Museum & Science Center, its directors, instructors, employees, and volunteers from any and all liability which may arise from participation or observation of said program and activities. This is a general release of all possible claims of every kind against the Putnam Museum & Science Center, and this release shall be interpreted liberally to effectuate maximum protection for the Putnam Museum & Science Center. In the event there arises an emergency necessitating medical attention, I understand that every possible attempt will be made to reach me immediately. However, if I cannot be reached, I hereby consent and give my permission to the Putnam Museum & Science Center staff, instructors or any attending physician to make such decisions and perform such medical treatment upon said minor which may be necessary and proper under the circumstances. In addition, I give my permission for any staff member to seek and/or request transport for this medical attention for my child if I cannot be reached. It is the intention of this release that the above named individuals incur no liability whatsoever while attending the responsible and necessary treatments that may be needed by said minor.
